Attorney General Garland Tells the Tel ephone Investigating Committee About the Pan-Electric

Weather Report. WASHINGTON, May 22, 1 a. m .- Indic tions for Missouri and Kansas are: Fau winds and slightly cooler weather.

Washington, May 21.—The president has approved the bill arranging for the study of the nature of alcoholic drinks and narcotics, and their effect in public schools in the District of Columbia and the terri-

When the telephone investigation com-mittee met today the attorney general was He said he had not expressed any opinion as to the proper mode of treating Van Benthuysen's application. He had personally remained silent on that point. He would rather have acted in the matter himself than rather have acted in the matter nimsei; than have made any remark on the proper mode of making the application, and if he was positive about anything it was on that point. He denied having visited Young's rooms while the conference was in progress, and did not know until he saw it in the newspanner that Young had rooms in G street. He and not know until he saw it in the newspa-pers that Young had rooms in G street. He wished to repeat his former statement that he had never attended a Pan-Electric meet-ing after the inauguration. Witness denied that any person intimated to him that ap-plication for suit would be made and that he had intimated that it would be opportune if made during his absence.

he had intimated that it would be opportune if made during his absence.

Mr. Ranney read from his paper an ac-count of his interview with the attorney general, and witness smiled at certain points in the reading.

What did these men want! inquired Ran-(Now it is Ranney referring to the of Beesmer and others to the depart-

witness, but will state it again if you wish. What they said they wanted was: We want you in the name of the United States to test the Bell telephone patent. I remarked, in reply, that I could not consider the application. I was a stock-holder and attorney for the company. Witness said he wished to say a word about a part of the testimeny of Colonel Dana, of the New York Snn. It had been conceded

the New York Snn. It had been conceded on all sides that he had no proper authority to act in the case being a stockholder in a rival company, and his relationship to the company not being changed in his absence from July to October. When he found ac-tion had been taken he said if the disability existed then how could be have smashed the suit if he did not have ability to institute it Mr. VanBentheuysen today presented in support of testimony heretofore introduced and the committee will tomorrow decide in ecret whether or not to go into this phase

sented in the electrical investigation division of the patent office from 1875 to may 1877. Mr. Wilbur deposed that he personally examined and passed to issue letters patent on application of Alexander Graham Bell, e patent being dated March 7,1876; that he sioners inquire into the same flidavits have the exact facts and the entire onnected with the issuance ces under which they were ob-That in order that justice may be received, the has concluded to tell the truth and nothbrought to bear on him, and which cause him to show Professor Bell Elisha Gray' cavest, and to favor Bell in various ways in acting on several applications for patents b him made; that he does this with a fu knowledge of the consequences to himself which may result, and without hope or promise of reward. He then goes on to say that the affidavit of October 21, 1885, was given at the request of Mr. Swan, of the counsel for the Bell company; that at that was doing, and was in effect duped to sign that Mr. Swan paid him \$100 therefor for the Bell campany; says he is now free from the influence of liquor and adds: I am nvinced that my action while examiner of portunity to establish his right to the vention of the telephone and I now pro-

e to tell how it was done. He then goes on to say that Major Balley was one of Professor Bell's atterneys i the matter of his first patent; that affant and Major Bailey had been soldiers and officer in the same command; that they were clos friends; that affiant had borrowed \$100 c him at about that time, all of which put af-fiant under many obligations to Major Bai-

Wilbur then goes on to say that Bell pre sented him with a \$100 bill; says Professo Bell will probably deny the statements mad by affiant, has in fact already denounced e of them, but Wilbur reiterates the statement that they are true.

the two houses of congress to propose an amendment to the constitution which shall be valid to all intents and purposes as part of the constitution, when ratified, as hereby proposed by the legislatures of the several states, the proposed amendment to be numbered and to read as follows: ARTICLE FORTY-ONE.

First—The marriage relation between one person of either sex and more than one person of the other sex shall be deemed polygamy. Neither polygamy nor any polygamous association or combination between sexes shall exist or be lawful in any place within the jurisdiction of the United States or any of the states.
Second—The United States shall not, nor

any state, make or enforce any law which shall allow polygamy or any polygamous association or cohabitation between the sexes, but the United States and every state

sexes, but the United States and every state shall prohibit the same by law within their respective jurisdiction.

Third—The judicial power of the United States shall extend to the prosecution of the crimes of polygamy and of a polygamous association or cohabitation between the sexes under this article, and congress shall have power to declare by law the punishment therefor.

Fourth—Nothing in the constitution or in this article shall be construed by any state.

this article shall be construed by any state, to the exclusive power subject to the provision of this article, to make and enforce all laws concerning marriage and divorce within its jurisdiction or to vest in the United States any power resisting same

within any state.

Judge Tucker, chairman of the judiciary committee, said to an Associated Press recommittee will report the porter that the committee will report the amendment on Monday and will then probamendment on Monday and will then prob-ably take up the Edmunds Utah bill. The sub-committee have considered the Ed-munds bill and will submit their views to the full committee, which will hereafter meet as often as practicable. The Edmunds bill will be very greatly modified, but I am not prepared to say until action by the full com-mittee, in what respect. I will say, however, that it will not materially change the policy of the government now in force as to polygamy, but will be, while condemning the crime of polygamy, to do so in con-sistency with the constitutional law and with respect to the liberties of the people affected. The amendment had met with general approval from perhaps fifty members of congress to whom it had been shown, and on their judgment he could rely. He would try to secure an early and thorough consid-

THE OPIUM TRAFFIC. The president today transmitted to con gress an opinion from the secretary of state recommending additional legislation for the repression of the opium trade in accordance with the supplemental treaty with China which went into effect in 1881.

COMMITTEE WORK. The house committee on invalid pension today agreed to report favorable a bill ex-tending the provisions of the pension laws to those who were injured while on furlough and not strictly in time of duty.

The house shipping committee met this morning and concurred in part of the sene amendment to the Dingly shipping bill and non-concurred in several amendments, and authorized Mr. Dingly, of Maine, to re-port back the bill to the house with a recommendation that the house agree to the con-ference asked by the senate.

pportunity next week when the house will tence act upon it, as the report will be

Senator Chase today from the committee n patents presented the original tional copywright bill as a substitute for bills on the subject before the committee.

### FORTY-NINTH CONGRESS

Washington, May 21.—Mr. Riddleberger offered a resolution providing for printing all papers relating to the nomination of Matthews as recorder of deeds for the Disobjected to the reading of the resolution as being executive business and it was declared

not now in order. ting of a day for the consideration of a bill repealing the timber culture act. Objection was made by several senators, among them Mr. Sewell, who said he would object further special orders till Fitz John Porter was taken up and disposed of. He would ask the senate to take up that bill s it should have been disposed of.
On motion of Mr. Hoar the senate took up

the bill providing for the closing of the court of claims. The reports of the majority and minority of the committee were read. The majority report maintains the difference in value between coin and currency a the time of the Geneva award and afterward at the sale of the Geneva award bonds it was

and is the property of the United States treasury, and should not form any part of he sum out of which the judgments of the ourt should be paid. The minority report states that on the contrary the United States occupied the po-lition of a trustee for the claimants and self with the difference between gold and

bout to come to a vote in the precis form which it came from the house.

Mr. George stated his understanding of i to be that it provided for the payment of exactly the amount of money received by the United States from Great Britain, giv-ing to claimants the benefit of the premium made on the sale of gold for greenbacks in which a part of the former claimants were. He also understood the bill to pay all inter-est which the United States had agreed to pay from the time of the receipt of the money in 1873 up to 1877, when the money

as covered into the treasury.

Mr. Hoar said the understanding was ex scily correct, the United States gives noth-ing and lesses nothing by the transaction. The bill was passed as it came from the use-yeas 29, nays 13. The urgent deficiency bill being reported

by Mr. Allison from the committee on ap-propriations, it was passed without debate. Mr. Plumb moved that the senate insists on its amendments to the postoffice approriation bill. The senate agreed to the mo-ion and the chair appointed Messrs. Plumb,

On motion of Mr. Blair the senate then receeded to the consideration of the favorably reported pension bills on the callen

After the passage of a number of such bills
Mr. Back suggested that at once, and while
once in ten times it might be well to have
the committee report bearing on the case
read, just to show that somebody had looked
at the case.

Several senstors replied and quite an argu-ment sprang up, it being suggested by Mr. Beck's opponents that it was his own fault if any senstor was not informed, as printed reports on each bill were placed on each sen ator's desk. The senate went into executive session and when the doors re-opened adjourned until Monday.

Mr. Herbert, of Alabama, from the committee on naval affairs, reported the naval appropriation bill which was referred to committee of the whole. The house then resumed consideration of the bill prohibiting the importation of mackerel during spawning season.

After a long debate the bill was passed—

yess 120, nays 80.

As passed, the bill prohibits for a period of five years from the 1st of March, 1887, the importation to the United States or to landpension seams to have been made for political reasons but find nothing against the
post master, on his conduct growing out of
his official position. Mr. Evans is found
worthey and is reported favorably.

Reports similar in purport to the above,
though differing in immaterial points were
made in the case of W. T. Sharp, postmaster
at Brooklyn, Ia., vice T. H. Phillips, suspended; S. B. Case, postmaster at Osage, Ia.,
vice T. G. Atherton, and A. L. Downard,
postmaster at Marengo, Ia., vice H. R.
Crenshaw.

Franklin Thomas, alias S. E. E. Seelage. (This is the case of a woman who for two years served in a Michigan regiment as a soldier, without disclosing her identity.)

The house then took a recess until 7:30 this evening, the session to be for the consideration of pension bills.

The house, at its evening session, passed thirty pension bills, and at 10 p. m. adjourned until tomorrow.

Still After the Anarchists. Still After the Anarchists.

Chicago, May 21.—The grand jury is in possession of all the material facts in the dynamite conspiracy, So far as presumption, it shows the guilty parties to be August Spies, Schwab, Parsons and Fielden. The evidence that would implicate others not apprehended has been withheld by the authorities. The testimeny at the hour of adjournment yesterday is plain that for months past the anarchists have been secretly preparing to attack the pelice with dynamite. It was expected that before evening indictments will be found against the above named men as well as the bomb thrower and

named men as well as the bomb thrower and several other conspirators.

This morning Theodore Fricke, secretary of the Socialistic Printing company, went before the grand jury and took with him the books of the Arbeiter Zeitung. The jury wanted to find out how much money had been expended by the managers of the paper, outside of the regular line of their publishing business.

paper, outside of the regular line of their publishing business.

Geo. Douffett, a salesman in the employ of Probyl Bros., took the sales book of the firm into the jury room and gave some im-important evidence. Last July a man giv-ing his name as Schwabel visited Pribyl Bres, store and bought eight Winchester rifles. They were afterwards found in a military organization of socialists. Schwabel was arrested a few days after the Haymarket

This merning detectives were detailed to look for Gustave Lehman, the man who is regarded by the authorities as one capable of giving identity to the bomb thrower. The detectives succeeded in arresting Lehman at an early hour this morning. In his possession and on the premises which he occupied at the time of his arrest were nd three round dynamite bombs exactly 

CHICAGO, May 21.-Indictments for conchicage, May 21.—Indictments for con-spiracy to murder were formally returned this evening by the grand jury against August Spies, Sam Fielden and A. R. Par-sons, the anarchists. These three were the speakers at the Haymarket meeting which preceded the bomb throwing and riot. Investigation as to the others accussed of com-plicity in the crime has not yet been com-

PORTLAND, Me., May 21. — Governor Robie said today: To my mind the seizure of the David J. Adams and Ella M. Dough-erty was a blunder on the part of the Canadian government, an outrage on our flag and agross isjustice to the fishermen and owners. I am very confident that there is in Maine but one sentiment. We desire peace. We regret that a shadow of war should have been cast upon us, but at the same time we desire to have the rights of The committees were unanimous in support of the senste amendment to the shipping bill designated to meet the action of Canada, but formally non-concurred in the amendment simply to make a renewed meet- our property when in Canadian waters as when at home. Wise statesmanship will be demanded to carry us through the present trouble without loss of dignity or sacrifice

New Yonk, Muy 21.—A special dispatch from Point Pleasant, W. Va., says: The news of a family tragedy has been received from Apple Grove, a small town twenty mites below this place, between Mrs. James Gurrin and sister, widows, each being left with a large number of children. The children quarreled over the swnership of a standarder. J. Gurrin, aged 19, struck his step-ladder. J. Gurrin, aged 19, struck his aunt with a stone, crushing her head. The man soon died. Soon after her death the gun and fired upon the boy murderer of her mother and riddled him with shot. He also died in a few moments. The girl was ar-

For further information call on ticket agents or send for maps and folders, giving description of the line, to the undersigned.

WIICHTA MARKETS. Extraordinary Announcement.

> New York Importers and Jobbers, fearfully alarmed about the terrible state of affairs, are willing to dispose of their remaining stocks at about one-half what the goods cost them.

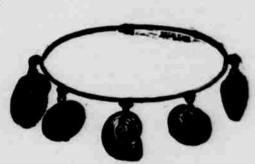

> Our resident buyer telegraphed us for one of the firm to come on immediately. Our home buyer availed himself of the opportunity, and to his utter amazement, found some of the same goods which we bought three weeks ago at just half the price.

We did not need the goods, but the
